News from the Director: As we head into the new school year, we are looking for kind and caring people who enjoy working with children. We could use additional hands-on help with our afterschool program (even just one day a week!), and we need tutors to help our youngest kids in reading and our older ones in math and science. We also need a new refrigerator! Please contact Ann Farley at tayadirector@gmail.com or 410-253-0967 if you can help! Thank you!
